

## ADOBE® CREATIVE SUITE® 4 SEMINAR

### Introducing all new Adobe Creative Suite 4 software

With new Adobe Creative Suite 4, you can keep the creativity flowing, express ideas consistently across multiple media, and easily share your work with students and colleagues. Join us for a live online seminar to see how new and enhanced features in all products, and tighter-than-ever integration make Creative Suite 4 your must-have solution to produce brilliant work faster.

- Enhance your productivity with the new Creative Suite 4. Learn new ways to accomplish more and work more efficiently
- Be inspired with new tools and powerful new software, Creative Suite 4 offers new ways to make ideas come to life
- See how Creative Suite 4 enables teachers and students to express themselves seamlessly, and share ideas in print, web, and video media

Adobe is sensitive to budgetary and policy constraints regarding professional travel for educators. To ensure that all invitees have the opportunity to attend our launch event for the breakthrough Creative Suite 4, we have adjusted our plans to deliver this event online. Instead of an in-person seminar at UMBC on 10/23, we will be hosting a live interactive launch event via Adobe Acrobat Connect Pro technology. All registered attendees will receive a URL to participate in this online event.
